7th & 8th August AIIMS Bhopal

WHO-CCET

National Consultation Meeting on Overcrowding Related Safety Challenges

This is a closed (invitation-only) meeting.

7th August 2024 Cyclical Workshops Venue: GMC Bhopal

Duration	Session							
	POCUS: ECHO IN EM							
Course Director: Dr. Ajit Baviskar								
15 min	Goal-directed Echo Overview							
75 min	Hands-on Session on Goal-drected Echo							
20 min	Masterclass on Echo with role of AI Tools							
10 min	Q & A							
	POCUS: SHOCK IN EM							
Course Director: Dr. Harshad Dongre								

	-
20 min	POCUS: Shock in EM (HIMAP)
90 min	Hands-On Session
10 min	Q & A

EMERGENCY THORACOTOMY

Course Director: Dr. Siddharth P. Dubhashi

15 min	Introduction & Overview to Resuscitative Thoracotomy
45 min	Demonstration of the procedure
60 min	Hands-On Session

BRONCHOSCOPY IN EM

Course	Director:	Dr. Ruchi	Tandon
--------	-----------	-----------	--------

20 min	Patient preparation, including blocks
20 min	Bronchoscopic Intubation
30 min	Bronschoscopy: Clinical findings in BAL
50 min	Hands-On Session

	Rotations							
Times	POCUS ECHO IN EM	POCUS SHOCK IN EM	EMERGENCY THORACOTOMY	BRONCHOSCOPY IN EM				
09:00 - 11:00	А	В	С	D				
11:00 - 13:00	В	С	D	А				
13:30 - 15:30	С	D	А	В				
15:30 - 17:30	D	А	В	С				

Group Allocations (A/B/C/D) will be provided to the participants by the organizers

The cyclical workshops will run in 2 hour cycles from 9 am to 6 pm.

Workshops will follow the session format as described.

Warm Welcome To Our International Speaker

Dr. Dharm Raj Singh

Dr Dharm Raj Singh, BSc, MBBS, MS(Gen.Surg), DNB(Urology), FACS

Dr Singh is currently working as a Urologist in Canada. After completing his medical graduation (MBBS) in 1991 and Master of Surgery (MS) in 1995 from Institute of Medical Sciences, Banaras Hindu University (BHU), Varanasi, India; Dr. Singh moved to Mumbai and completed his Urology residency training (Diplomate of National Board) from P.D.Hinduja Hospital, Mumbai, India and later worked in Christian Medical College (CMC), Vellore, India as senior registrar. In early 2001, he went to Canada and successfully completed ASTS (American Society of Transplant Surgeons) accredited renal transplant fellowship from Dalhousie University, Halifax, Canada. In 2004, he completed his sub-specialisation in male infertility from University of Toronto, Canada. Apart from General Urology, Dr Singh has a special interest in male infertility including vasectomy reversal surgery and renal transplantation. He has received many awards and presented papers in various international meetings and journals.
